

Standard Business Terms and customer information

I. Standard business terms

§ 1 Basic provisions

(1) The following business terms are applicable to all the contracts, which you conclude with us as a supplier (OOH-YA.com GmbH) via the ooh-ya.com website. Unless otherwise agreed upon, the inclusion, if necessary, of your own conditions is ruled out.

(2) A 'consumer' in the sense of the following regulations is every natural person who concludes a legal transaction which, to an overwhelming extent, cannot be attributed to either his commercial or independent professional activities. The term 'businessman' refers to every natural person, legal person or legally responsible partnership that concludes a legal transaction in pursuance of his/its independent professional or commercial activity.

§ 2 Conclusion of the contract

(1) The subject-matter of the contract is the selling of products and/ or the provision of repair services .

(2) Our offers on the website are non-binding and are not a binding offer to conclude a contract.

(3) You are not bound by your enquiries regarding the creation of an offer that have been conveyed to us. We supply you with a textual and binding offer (e.g. via e-mail), which you can accept within a period of 5 days.

(4) The execution of the order and the sending of all the details necessitated by the conclusion of the contract take place via e-mail, in a partially-automated manner. Consequently, you have to ensure that the e-mail address that you have deposited with us is the correct one, and that the receipt of the respective e-mails is guaranteed. In particular, you have to ensure that the respective e-mails are not blocked by a SPAM filter.

§ 3 Individually-designed products

(1) You provide us with the appropriate information, text or data necessary to customise the goods via the online ordering system or via E-mail without undue delay after concluding the contract. Any potential specifications that we may issue regarding file formats are to be borne in mind.

(2) You are obligated to ensure that you do not transfer data whose contents violate the rights of external parties (especially copyrights, rights to names and trademark rights) or break existing laws. You explicitly free us from any and all claims related to this matter that may be raised by external parties. This also applies to the costs associated with any legal representation that may become necessary in this regard.

(3) We do not check the transferred data for textual accuracy. In this respect, we assume no liability for errors.

§ 4 Provision of services in case of repairs

(1) Insofar as repair-related services form the subject-matter of the contract, we are obligated to carry out the repair-related activities that follow from the service description. We shall provide these services in all conscience, either personally or through an external party.

(2) You are obligated to cooperate. In particular, you have to describe the defect affecting the device as extensively as possible and make the defective device available.

(3) You shall have to bear the costs of sending us the defective device.

(4) Insofar as no other period is specified in the respective offer or under the appropriate button, repairs, including assigning the device for shipping, shall be made within 5-7 days following receipt of the device to be mended (however only for advance payment after the time of your payment instruction).

(5) If you exercise your right of termination in accordance with Section 648(1) BGB, we can demand a flat-rate fee of 10% of the agreed fee, if performance has not yet started. However, this only applies to the statutory right of revocation if you first exercise your right of termination after the end of the revocation period. You will bear the burden of proof for demonstrating that we have incurred no or substantially less costs.

§ 5 Special agreements related to the offered payment methods

(1) SEPA debit note (base and/or corporate debit note)

If payment is to be made via an SEPA base debit note or an SEPA corporate debit note, you authorise us to collect the billing amount from the specified account by issuing a corresponding SEPA mandate.

The debit note is collected within a period of 14 days after the conclusion of the contract.

The deadline for the sending of the pre-notification has been shortened to 5 days before the due date. You are obligated to ensure that the account in question possesses sufficient covering funds on the due date. If a return debit note comes into play on account of a situation in which you defaulted on your obligation, you have to pay the incidental bank charge.

§ 6 Right of retention, reservation of proprietary rights

(1) You can only exercise a right of retention if the situation in question involves claims arising from the same contractual relationship.

(2) The goods remain our property until the purchase price is paid in full.

(3) If you are a businessman, the following conditions also apply:

a) We retain ownership of the goods until all the claims arising from the ongoing business relationship have been settled in full. The goods subject to retention of title may not be pledged or transferred by way of security before ownership of the said goods changes hands.

b) You can re-sell the goods within the framework of an orderly transaction. In this regard, you hereby cede all the claims amounting to the

magnitude of the billing amount that accrue to you as a result of the re-selling operation to us, and we accept the cession. Furthermore, you are authorised to collect the claim in question. However, insofar as you do not discharge your payment obligations in an orderly fashion, we reserve the right to collect the claim ourselves.

c) In a situation involving the combination and amalgamation of the goods subject to retention of title, we acquire co-ownership of the newly-formed item. This co-ownership corresponds to the ratio that exists between the invoice value of the goods subject to retention of title and the other processed items at the time of processing.

d) If you make a request of this nature, we shall be obligated to release the securities that are due to us, to the extent that the realisable value of our securities exceeds the claim to be secured by more than 10%. We are responsible for selecting the securities to be released.

§ 7 Warranty

(1) The statutory warranty rights are applicable.

(2) Claims for defects shall be excluded for used items if the defect occurs after one year from delivery of the item. If the defect occurs within one year from delivery of the item, claims for defect can be asserted in accordance with the statutory limitation period of two years from delivery of the item. The above limitation does not apply:

- to damages culpably attributable to us arising from injury to life, limb or health and for other damages caused by wilful intent or gross negligence;
- insofar as we have wilfully concealed the defect or accepted a warranty for the quality of the goods.

(3) As a consumer, you are requested to promptly check the product for completeness, visible defects and transport damage as soon as it is delivered, and promptly disclose your complaints to us and the shipping company in writing. Even if you do not comply with this request, it shall have no effect on your legal warranty claims.

(4) Insofar as you are a business, the following difference applies to the aforementioned warranty regulations:

a) It is understood that the details provided by us and the product description provided by the manufacturer are the only things that represent the properties and condition of the product in question. Other advertisements, blurbs and statements issued by the manufacturer are not considered to be representative of the properties and condition of the said product.

b) If the goods are found to be faulty, we shall reserve the right to repair the goods or deliver replacements. If the defect is not removed, you can demand a reduction in the price or withdraw from the contract at your discretion. The defect removal is applicable after a failed second attempt, unless the circumstances prove otherwise, in particular due to the nature of the object and/or defect or other conditions. In case of repair, we must not bear the additional costs, which arise from the transfer of the item to a place other than the place of fulfilment, as far as the transfer does not correspond to the intended use of the item.

c) The warranty period amounts to a period of one year after delivery of the product. The reduction in time-limit does not apply:

- to damages culpably attributable to us arising from injury to life, limb or health and for other damages caused by wilful intent or gross negligence;
- insofar as we have wilfully concealed the defect or accepted a warranty for the quality of the goods;
- to goods which are used for a building in accordance with their normal use instructions and whose defects were caused by this;
- for statutory recourse claims, which you have against us in connection with warranty rights.

§ 8 Choice of law, place of fulfilment, jurisdiction

(1) German law shall apply. This choice of law only applies to customers if it does not result in the revocation of the protection guaranteed by the mandatory provisions of the law of the country in which the respective customer's usual place of residence is located (benefit-of-the-doubt principle).

(2) If you are not a consumer, but a businessman, a legal entity under public law or an institutional fund governed by public law, our place of business is the place of jurisdiction as well as the place of fulfilment for all services that follow from the business relationships that exist with us. The same condition applies to situations in which you are not associated with a general place of jurisdiction in Germany or the EU, as well as situations in which the place of residence or the usual place of residence is not known at the time of commencement of proceedings. This has no bearing on the capacity to call upon the court associated with another place of jurisdiction.

(3) The provisions of the UN Convention on Contracts for the International Sale of Goods are explicitly inapplicable.

If you are a businessman, the delivery and shipping operations take place at your own risk.
